This modified form of the general schedule for population is to be used in making the enumeration both those on reservations and those living in family groups outside of reservations.  Detached Indians living either in white or negro families outside of reservations should be enumerated population schedule (Form 8-1589) as members of the families in which they are found; but do or negroes living in Indian families should be enumerated on this special Indian schedule as members families in which they are found. In other words, every family composed mainly of Indians should entirely on this special schedule, and every family composed mainly of persons not Indian should be reconstructed for entires for 20 persons on each side (A and B) of the sheet, the entries for running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, as instructions.  Columns 1 to 32.—These columns are identical with those on the general population schedule. Fit so far as the inquiry applies, in accordance with the instructions for filling the corresponding column population schedule (see book of instructions), but note the following additional instructions in reliculums 1 and 2, column 7, and columns 18 and 19.  Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using be population schedule (Form 8-1589) and this schedule for Indian population, make two independent set for these columns, one series in each kind of schedule, so that the last number in column 1 on this								merated etached s of the s of the ported or each scording Il each e in the ation to	ed or replaced in the property of the property
