Dear Cousin:

I received a letter from you sometime ago but I never got around to answer. I have been busy all winter getting out wood so we would have some fuel ahead. And with Dad in bed and the chickens and live stock to care for I don't get much spare time. Lola has not been very well this winter but is better now.

Rosie and August was here last Monday to see us. They are at their daughter in Grand Haven. They have been there for a month or more. They are going back to the island for the summer as soon as they can get there. We was glad to see them.

You mentioned you would like to pay us a visit. You will be welcomed to come some Sunday afternoon when you can. Send us a card when you come so we will be home. Sometimes we go to the neighbors for an hour.

I am send you drawing on the back of this letter as to how to find us. There two ways to get to our house. We are the third house east of the Hordershot schoolhouse or the fifth house west of the McComber schoolhouse on the Brogan Road. If you come on 43 from Kalamazoo there is a small store beyond Cloverdale, turn east at the store and go four miles east, our house is on the north side of the road, the other buildings are on the south side. If you follow my drawing you cannot miss us. You will notice on the my drawing there is a half mile jog in the road.

Hope to see you soon, regards to all.

Your cousin,

*Louis*
